Dear Mentors,

Thank you for committing to be a mentor teacher for the 2019-2020 school year! My name is Laura Click, and I am the new Director of Field Experiences and Residency. Our office has also hired Stephanie Tanksley, as our new Placement Coordinator. Stephanie and I are working hard to update the procedures in our office to strengthen our partnership with you. You will also notice we are continually updating the Clemmer College, Educator Preparation website to make information more easily accessible. I will begin visiting district and/or schools for a brief mentor informational session in the upcoming weeks. You will be able to ask questions, and fill out all necessary paperwork for payments.
Best of luck on your upcoming year! Thank you again for all you do to prepare our next generation of educators.
Please contact our office if we can help you in any way.

Sincerely,
Laura Click
Director of Field Experiences and Residency
