- ☐ Participate in an interview during April (Applicant will be emailed to schedule date/time)
- ☐ Receive email notification of conditional acceptance by May 25th

---

[1] A minimum of 8 hours are required to qualify for an interview; every hour over 8 will count as 1 point per hour to a total of 10 extra points. These hours must be completed between **October 1st and March 15th** of the year the student plans to apply to the program.
[2] CSCI 1100 or the Proficiency Exam can be completed the summer before the program starts if a student is conditionally accepted.
[3] ALHE 2010 – Intro to Allied Health can be completed the summer before the program starts if a student is conditionally accepted. This course is only offered **once** during the summer session at ETSU and MUST be completed if a student plans to enter the program the following Fall.
[4] ALHE 2020 –Patient Care and Assessment can be completed the summer before the program starts if a student is conditionally accepted. This course is only offered **once** during the summer session at ETSU and MUST be completed if a student plans to enter the program the following Fall.
[5] An essay will be completed in-person after the group advisement meeting or before an applicant's interview.
