Total Degree Credits: 63-64 (RSCC Total Credits) + 66 (ETSU Total Credits) = 127-129

¹Completion of an allied health technical certificate is required for this option of the AAS degree program.

²Students should work with an advisor to best determine what credits are needed for transfer to ETSU

³Experiential portfolio assessment will be completed via ALHS 2315 (Experiential Portfolio) using the Council for the Assessment of Experiential Learning (CAEL) guidelines and assessment instruments. The maximum number of college credits that will be awarded for experiential learning portfolio will be 27 credit hours. All portfolio credits will reflect on the academic transcript under ALHS 2316.

⁴Upon successful completion of ALHE 3010 and ALHE 4070. A grade of "P" will be entered for ALHE 2010 and ALHE 2020.
