Volume 6 Issue 4

February 2, 2006

The Upper East Tennessee Council of Teachers of Mathematics will host its fourth meeting of the 2005-2006 school year on Tuesday, February 14th at Dobyms Bennett High School). The meeting will be held in the library (look for signs)

4—430: Refreshments;
430—5: Business Meeting
5—6, Nancy Duggin from the State Department has agreed to be our guest speaker. She is going to talk with K-12 teachers about National Board Certification. Teachers should come prepared to hear some interesting information! Feel free to ask Ms. Duggin any relevant questions pertaining to National Board Certification. Again, all math teachers, K-12, are invited to attend!

<u>2005-2006 Meetings</u>
February 14, 2006, Dobyms Bennett High School
April 10, 2006, Northeast State Technical Community College
May 9, 2006, Warrior's Path State Park

Directions: Coming from Johnson City on I-181N (=I-26W), take exit 51 and make a right onto John B. Dennis Highway.

Proceed on John B. Dennis until you pass Eastman Chemical Co. on your left. Take the next exit, which is Fort Henry. Make a right onto Fort Henry and proceed on Fort Henry until you reach Dobyms-Bennett on your right. Park anywhere and enter on either the left or the right of the main entry. Proceed up the ramp to the library. Signs will be posted. If you take exit 59 from I-81, you will exit onto Fort Henry Drive. Proceed toward Kingsport until you reach Dobyms-Bennett.

**UETCTM Grant Applications to be accepted at
February 14 meeting**

We have some about \$2500 in our account that, quite frankly, we should be putting to better use. We have decided to allow our member teachers the opportunity of making a "request" to buy "item(s)" for their classrooms that are truly worthy and needed. In order to be considered for the request, such teacher(s) need to submit their request at our next meeting, which will be held at Dobyns-Bennett High School on February 14, 2006. The teachers must apply in person, and must show/stay for the meeting(s) in order to be considered. Also, such teachers must belong to the UETCTM. Cost of the request should be reasonable in order to be considered. The executive board will decide if the request(s) are accepted or rejected.

MATH and BIOLOGY SYMBIOSIS

UETCTM members Tara Peters, Floyd Brown and Pat Jungkeit will soon be coming to your school to recruit HS seniors for a new program at ETSU – Quantitative Biology. Students will earn \$500, \$1500, \$2500, \$3500 in undergrad research stipends their HS senior year, and freshman, sophomore and junior years in college respectively. KEEP your eyes wide open to IDENTIFY students who are

- Motivated;
- Would like to go to ETSU, more or less on a free ride;
- Do NOT, I REPEAT NOT have a burning desire to do math or biology – we are looking for persons who are more or less “undecided”.

Membership Application

Complete & return to Floyd Brown with a check for \$10 made payable to UETCTM. Completed Application and check may be mailed to Floyd Brown, Science Hill High School, Mathematics Dept., 1509 John Exum Parkway, Johnson City, TN 37604
