

LINDSEY E. COCHRAN, PH.D.
CURRICULUM VITAE

Department of Sociology & Anthropology
East Tennessee State University
223G Rogers Stout Hall
Johnson City, TN 37614

615.585.8043 (P)
423.439.5313 (F)
cochranle@etsu.edu

EDUCATION

Ph.D. 2014- 2019 Anthropology, University of Tennessee, Knoxville
Dissertation: “Spaces and Places of Lowcountry Georgia Plantations: A Case Study of Wattle and Tabby Daub Slave Cabins on Sapelo Island, Georgia” [Link](#)
M.A. 2010- 2013 Anthropology, The University of West Florida
B.S. 2006- 2010 Anthropology, University of Tennessee at Chattanooga

RESEARCH INTERESTS

historical archaeology of the southeastern United States; spatial statistics and analytics; archaeological method and theory; archaeology of the African diaspora; island and coastal plantation archaeology; remote sensing and archaeogeophysics; geospatial analyses; landscape archaeology; public outreach and community archaeology

PROFESSIONAL AND ACADEMIC EMPLOYMENT

2021-present Assistant Professor of Anthropology, Department of Sociology & Anthropology, East Tennessee State University

2019-present Archaeological Consultant, Georgia Coastal Historical Society

2019-2021 Postdoctoral Research Associate, Laboratory of Archaeology, University of Georgia Objectives: (1) create a statewide archaeological sensitivity model; (2) determine which of Georgia’s coastal cultural resources will be impacted by sea level rise and when those impacts should occur.

2019 (SU) Adjunct Instructor, University of Tennessee at Chattanooga
Course Taught: Archaeological Field Methods

2017-2019 Instructor of Record, Graduate Teaching Associate, University of Tennessee, Knoxville
Courses Taught: Prehistoric Archaeology, North American Prehistory

2017-2019 Geophysics and Remote Sensing Consultant, Mass Grave Identification Project, Forensic Anthropology Center, Knoxville, Tennessee

2014-2019 Archaeological Research Laboratory, Knoxville, Tennessee

- 2016-2018 Co-PI and Guest Instructor, Summers, University of Tennessee at Chattanooga
Courses Taught: Archaeological Field Methods, GIS and Geospatial Methods in Archaeology Short Course
- 2016-2017 Interpreter and Outreach Assistant for Scientists Working in Our Parks (ISWOOP). Technical Education Research Center (TERC)
- 2015-2017 Graduate Teaching Assistant, University of Tennessee
Courses Taught: Prehistoric Archaeology, Visiting Lecture Series, Historical Archaeology Lab Methods, Introduction to Biology
- 2015 Young Leaders in Climate Change (YLCC) Fellowship, National Park Service, Washington, D.C.
- 2014 National Center for Preservation, Technology, and Training (NCPTT) Fellowship, National Park Service, Natchitoches, Louisiana.
- 2013 Pat and Hal Marcus Historical Archaeology Fellowship, University of West Florida
- 2014-2015 Historical Archaeology Laboratory, Graduate Research Assistant, Charles Faulkner Laboratory, University of Tennessee, Knoxville
- 2013-2014 SEARCH CRM, Gainesville, Florida
- 2012-2013 Graduate Research Assistant, Geophysics and GIS, Institute of Archaeology, University of West Florida
- 2012-2013 Graduate Teaching Assistant, Archaeology Laboratory, University of West Florida
- 2010-2012 Graduate Research Assistant, Archaeology Laboratory, University of West Florida
- 2009-2010 Tennessee Valley Archaeological Research, Field Technician
- 2009-2010 Field and Laboratory Technician, Jeffery L. Brown Institute of Archaeology

RESEARCH GRANTS, AWARDS, AND SCHOLARSHIPS

(Cochran as PI unless otherwise noted)

- 2023 CESU - Archeological Investigation and Ethnological Study of Brick Hill Settlement and Cemetery, Cumberland Island National Seashore, National Park Service, P22AC02309-00 (\$95,000).

- 2022 Bureau of Land Management Headquarters (HQ) Cultural and Paleontological Resources Management. PI: Sara Ayers-Rigsby, Florida Atlantic University (estimated Cochran subaward: \$75,000; total, \$300,000). Not awarded.
- 2022 Monitoring at Old Rock House, the First Quaker House in Georgia. Thompson, Georgia. Subcontractor for Landmark Preservation, LLC. (\$13,597).
- 2021 From Past to Present: Ecosystem Services and People at the Guana River GTM-NERR, SLAMM Modeling for FPAN at Tolomato River and Guana Peninsula. PI: Sarah Miller, FPAN-NW (Cochran subaward \$15,000; Total: \$600,000).
- 2021 Georgia GNAHRGIS Modeling, Southeast Georgia. Awarded by New South Associates, Inc. (\$2,500)
- 2021 SLAMM Modeling at Yawkey, South Carolina. PI's Dr. Karen Smith and Meg Galliard, South Carolina DNR (Cochran Subaward \$8,000)
- 2020 North American Heritage at Risk (NAHAR) Survey. NSF LOI: L02614714. National Science Foundation, Coastlines and People. With Co-PI's: Lori Lee (Flagler College), Sarah Miller (FPAN/Flagler College), and Meg Gaillard (SCDNR). (Cochran subaward (\$3,943,919); total \$18,234,392.97) Not awarded.
- 2020 Outstanding Young Alumna, University of Tennessee at Chattanooga, awarded 2020, received 2022.
- 2019 Winner of the 84th Annual Meeting of the Society of Historical Archaeology Student Paper Award
- 2019 Georgia Department of Natural Resources, Sapelo Lighthouse Restoration and Pedestrian Trail (\$5,134)
- 2019 Fort Frederica National Monument and Friends of Frederica, National Park Service (\$13,420.50)
- 2019 Africana Studies Faculty Research Grant, University of Tennessee at Chattanooga (\$500)
- 2019 University of Tennessee Graduate Student Senate Travel Award, CAS (\$550)
- 2019 University of Tennessee Graduate Student Senate Travel Award, Professional Development, Anthropology Department (\$700)
- 2018 Georgia Department of Natural Resources, Historic Preservation Division (\$5,000)
- 2018 Anonymous Donor, St. Simon's Island Historic Land Trust (\$2,000)
- 2017 Tennessee Geographic Information Council Conference Scholarship (\$1,350)

- 2017 Patricia Black Award, University of Tennessee, AUV Purchase (\$500)
- 2017 Georgia Department of Natural Resources, Historic Preservation Division (\$4,322)
- 2017 George Wright Conference Scholarship, University of Washington and NPS Climate Change Response Program (\$2,075)
- 2017 University of Tennessee Graduate Student Senate Travel Award, College of Arts and Sciences (\$500)
- 2017 University of Tennessee Graduate Student Senate Travel Award, Professional Development, Anthropology Department (\$300)
- 2016 Patricia Black Award, University of Tennessee (\$550)
- 2016 Georgia Department of Natural Resources, Historic Preservation Division (\$1,500)
- 2016 University of Tennessee Graduate Student Senate Travel Award, CAS (\$500)
- 2016 University of Tennessee Graduate Student Senate Travel Award, Professional Development, Anthropology Department (\$300)
- 2015 University of Tennessee Graduate Student Senate Travel Award, College of Arts and Sciences (\$850)
- 2015 University of Tennessee Graduate Student Senate Travel Award, Professional Development, Anthropology Department (\$300)
- 2012 University of West Florida Graduate Grant (\$1,000)
- 2011 University of West Florida Graduate Grant (\$2,000)
- 2010 University of West Florida Graduate Grant (\$1,000)

PUBLICATIONS

- Cochran, Lindsey, Victor Thompson, David G. Anderson, Christine Hladik, Ellen Herbert
In review Creating Timelines of Climatological Impacts to Georgia's Coastal Archaeological Sites using SLAMM. *Advances in Archaeological Practice*, invited special volume. Editors: Sarah Miller, Jeneva P. Wright, and Steven Filomoro.
- Miller, Sarah E., Emily Jane Murray, Kassie Kemp, Lori Lee, Glenda Simmons-Jenkins, Lindsey Cochran, and Meg Gaillard
In review North American Heritage at Risk (NAHAR) Research Pipeline and Collaborative Community. *Advances in Archaeological Practice*, invited special volume. Editors: Sarah Miller, Jeneva P. Wright, and Steven Filomoro.

Cochran, Lindsey and Victor Thompson

2023 Trans-temporal Human Impacts to Georgia's Barrier and Back-Barrier Islands in *An Archaeology of Human Resilience: Sustainability in Indigenous Island Societies*. Editors: Scott Fitzpatrick, Jon Erlandson, and Kristina Gill. University of Florida Press. In Press.

Cochran, Lindsey, Nicholas Honerkamp, Abbey Duncan, Lori Robbins, Samantha McCormack, and Jeramy Davis

2023 A Summary of Plantation Archaeology on Sapelo Island, Georgia (1974-2021). *Early Georgia*. Editors: Lindsey E. Cochran and Brandon T. Ritchison. 48(p. 100-119) ISSN: 0422-0374

Ritchison, Brandon T. and Lindsey E. Cochran

2023 The Sapelo Papers Revisited: Recent Research on the Human Past of Sapelo Island, Georgia. *Early Georgia*. 48(p. 5-16) ISSN: 0422-0374

Cochran, Lindsey E. and Brandon Ritchison, (Guest Editors)

2023 Special Issue: The Sapelo Papers Revisited. *Early Georgia*. ISSN: 0422-0374

Cochran, Lindsey, Sarah E Miller, Heather Wholey, Katherine Parker, Steven Filoromo, Meg Gaillard, Emily Jane Murray, Allyson Ropp, Carole Nash, Karen Y. Smith, Sara Ayers-Rigsby, Ramie A Gougeon, McKenna Litynski, William Lees, David G. Anderson, Laura Seifert, Nicholas Arnhold, Lori Lee, Rachel Kangas, Nicole Grinnan

2023 Building a Foundation to Unify the Language of Climate Change in Historical Archaeology. *Historical Archaeology, Special Volume: Heritage at Risk*. Editors: Jeneva Wright and Sarah Miller. <https://doi.org/10.1007/s41636-023-00416-0>

Cochran, Lindsey, Victor Thompson, and Bryan Tucker

2022 Creating Living Predictive Models of Georgia's Coastal Paleo-Environmental Landscapes. Edited volume by Michael Carson entitled, *Palaeolandscapes in Archaeology: Lessons for the Past and Future*. Routledge. ISBN: 978-0-367-68903-2

Cochran, Lindsey

2021 Rival Landscapes of Georgia's Coastal Plantations. *Journal of Anthropological Archaeology*: 61:101270. <https://doi.org/10.1016/j.jaa.2021.101270>

Cochran, Lindsey and Nicholas Honerkamp

2017 Reconciling Historic Maps with the Archaeological Record on Coastal Plantations: A Cautionary Tale. *Early Georgia* 45(1&2).

Non-Peer Reviewed Proceedings and Newsletters

Cochran, Lindsey and Grant Snitker

2023 Using Machine Learning and Spatial Statistics to Measure the Geometric Structure of Archaeological Spaces. *Society for Historical Archaeology Heritage at Risk Technology Newsletter*. 30 March 2023.

Cochran, Lindsey

2022 Historical Documents as Archaeological Data. Tennessee Council for Professional Archaeology. Thirty Days of Tennessee Archaeology. 28 September 2023.

Cochran, Lindsey

2020 Implications of Global Change to Local Archaeology. The Society for Historical Archaeology Newsletter, Summer 2020 53(2):14-15.

Cochran, Lindsey

2020 Creating Digital Models with the Archaeological State Site Files. The Profile. Society of Georgia Archaeology.

Cochran, Lindsey, David A. Gadsby, and J. Tad Britt

2018 Creating Connections through Predictive Modeling and Cultural Resources Research. Samantha Weber, editor, Proceedings of the 2017 George Wright Society Biennial Conference on Parks, Protected Areas, and Cultural Sites, Connections Across People, Space, and Time. Hancock, Michigan: George Wright Society.

Cochran, Lindsey and Tad Britt

2017 Predictive Modeling of Archaeological Sites in Death Valley National Park. In Proceedings of the Twenty-Year Retrospective of the National Center for Preservation Technology and Training Sponsored Archeology Symposium. Tad Britt, editor, pp. 10-28. National Center for Preservation Technology and Training and the Society of American Archaeology, Natchitoches, LA.

Cochran, Lindsey

2015 Evaluating Effects of Climate Change on Cultural Resources at Coastal Parks. Climate Change Response Program Newsletter. National Park Service, Department of the Interior. Q4:4.

Dissertation

2019 Geospatial Interpretations of Enslaved Landscapes in the Antebellum Georgia Lowcountry. Chair: Barbara J. Heath. https://trace.tennessee.edu/utk_graddiss/5399/

Master's Thesis

2013 Game Theory Methods in Archaeological Research: A Case Study at the Simpson Lot, Arcadia Mill, Florida. Chair: Ramie A Gougeon

Reports (student co-authors indicated with *)

Cochran, Lindsey E.

2023 Sea Level Affecting Marshes Model of the Guana Tolomato Matanzas National Estuarine Research Reserve (GTM NERR). Submitted to Guana Tolomato Matanzas National Estuarine Research Reserve.

Cochran, Lindsey E. and Lori F. Robbins*

2022 Final Results of Archaeological Monitoring at Old Rock House. Submitted to Landmark Preservation, LLC.

Cochran, Lindsey E. and Lori F. Robbins*

2022 Letter Report for Gator Road Survey (22C). Submitted to Cannons Point Preserve.

Cochran, Lindsey E. and Lori F. Robbins*

2022 Letter Report for Maritime Forest Survey (22D). Submitted to Cannons Point Preserve.

Cochran, Lindsey E. and Lori F. Robbins*

2022 Letter Report for Indian Field Excavations (22E, 9GN21). Submitted to Cannons Point Preserve.

Cochran, Lindsey E.

2021 Archaeological and SLAMM Modeling of Yawkey, South Carolina. Submitted to South Carolina Department of Natural Resources.

Cochran, Lindsey, Nicholas Honerkamp, Abbey Duncan*, Lori Robbins*, Nathan Smith*, and Samantha McCormack*

2020 Results of Archaeological Testing at the Oglethorpe Site, Fort Frederica National Monument, St. Simon's Island, Georgia.

Cochran, Lindsey, Nicholas Honerkamp, Samantha McCormack*, Nathan Smith*, Lori Robbins*, Abbey Duncan*, and James Morgan

2020 Finding an Unmarked and Not Forgotten Antebellum Cemetery on Sapelo Island at the Request of the Gullah Geechee Hog Hammock Community.

Honerkamp, Nicholas and Lindsey Cochran

2019 Results of an Archaeological Survey at the Oglethorpe Site, Fort Frederica National Monument, St. Simon's Island, Georgia. Submitted to Georgia DNR, National Park Service, and Southeastern Archaeological Center. On File, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Honerkamp, Nicholas, Lindsey Cochran, and Abbey Duncan

2018 Preliminary Results of Archaeological Survey at the Oglethorpe Site, Fort Frederica National Monument, St. Simon's Island, Georgia. Submitted to Georgia DNR, National Park Service, and Southeastern Archaeological Center. On File, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey

2018 Finding Bush Camp Field (9MC512) and Behavior (9MC498) Settlements, Sapelo Island, Georgia, USA. Submitted to SINNER and Georgia DNR. On File, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Honerkamp, Nicholas and Lindsey Cochran

2018 Results of Archaeological Testing at Chocolate Plantation (9MC96), Sapelo Island, Georgia. Submitted to SINNER and Georgia DNR. On File, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey and Nicholas Honerkamp

2017 Finding Independence: Archaeological and Geophysical Investigations of Two Enslaved Communities on Sapelo Island, Georgia. Submitted to SINNER and Georgia DNR. On File, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey

2017 Preliminary Results of Archaeology and Geophysics Surveys at Bush Camp Field and Behavior, Sapelo Island, Georgia. Submitted to SINNER and Georgia DNR. On file, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey and Nicholas Honerkamp

2016 Preliminary Results of Archaeological Survey and Testing at Bush Camp Field and Behavior, Sapelo Island, Georgia. Submitted to SINNER and Georgia DNR. On file, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey and Nicholas Honerkamp

2016 Bounding Antebellum Artifact Concentrations at Couper Field. Submitted to Coastal Georgia Historical Society and Cannon's Point Preserve. On file, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey and Nicholas Honerkamp

2016 Reconnaissance from Chocolate Plantation to Shell Ring on Mud River, Sapelo Island, Georgia. Submitted to Georgia DNR. On file, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey

2015 Results of 15D_1 Pedestrian and Metal Detecting Survey, Cannon's Point, St. Simons Island, Georgia. Submitted to St. Simon's Land Trust. On file at Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Honerkamp, Nicholas and Lindsey Cochran

2015 Bounding Cannon's Point: Archaeological Survey at the North End (9GN21), St. Simon's Island, Georgia. Submitted to St. Simon's Land Trust. On file, Jeffery L. Brown Institute of Archaeology, University of Tennessee at Chattanooga.

Cochran, Lindsey

2015 Mapping Effects of Near Historical Climate Change on Archaeological Sites with ASMIS Legacy Data. Submitted to the National Park Service.

Ruiz, M., William Brown, Tad Britt, Lindsey Cochran

2014 An Archaeological Location Probability Model and Long-term Management Strategy for Death Valley National Park, CA and NV. Report Submitted to National Center for Preservation Training and Technology.

Cochran, Lindsey

2014 Death Valley National Park Predictive Modeling: Summer 2014 Report of Investigations. Submitted to National Center for Preservation, Technology, and Training.

Cochran, Lindsey E., Cindy L. Sommerkamp, and John C. Phillips

2013 Phase I Cultural Resources Assessment and Ground Penetrating Radar Survey of the Proposed Bridge Improvements at the Arcadia Mill Complex in Santa Rosa County, Florida University of West Florida Archaeology Institute, Report of Investigations 191.

Sommerkamp, Cindy L., John C. Phillips, Eric Swanson, and Lindsey E. Cochran

2013 Phase I Cultural Resources Assessment Survey of the UWF New Construction Initiative-Area 4 in Escambia County, Florida. University of West Florida Archaeology Institute, Report of Investigations Number 186.

Sommerkamp Cindy L., John C. Phillips, Lindsey E. Cochran, and Joe Grinnan

2013 Phase I Cultural Resources Assessment Survey of the UWF New Construction Initiative-Area 2 in Escambia County, Florida. University of West Florida Archaeology Institute, Report of Investigations Number 183.

Cochran, Lindsey

2011 A Reconstruction of the Rise and Fall of a Plantation: Kirwan Family Papers, Montserrat, British West Florida. Presented to University of West Florida Archives, Pensacola, Florida.

Cochran, Lindsey

2010 Identifying Themes of Development at Moccasin Bend National Archaeological District. Presented to Friends of Moccasin Bend, Chattanooga, Tennessee.

PAPERS/CONFERENCE SESSIONS

(student co-authors in bold, *=invited session, **=chaired session)

2023 ****Chair of Symposium Session: Methods for Monitoring Heritage at Risk Sites in a Rapidly Changing Environment.** Presented at the 88th Annual Meeting for the Society for Historical Archaeology. Lisbon, Portugal, January 5-8.

2023 ***People of Guana: Dynamic Coastlines, Mutating Methodologies, and Collaborative Science.** With Sarah Miller, Emily Jane Murray, Kassie Kemp, Lori Lee, and Meg Gaillard. **Methods for Monitoring Heritage at Risk Sites in a Rapidly Changing Environment.** Presented at the 88th Annual Meeting for the Society for Historical Archaeology. Lisbon, Portugal, January 5-8.

- 2023 *A Critical Review of Shoreline Modeling Strategies to Identify Known and Unrecorded Cultural Heritage Sites. Methods for Monitoring Heritage at Risk Sites in a Rapidly Changing Environment. Presented at the 88th Annual Meeting for the Society for Historical Archaeology. Lisbon, Portugal, January 5-8.
- 2023 * Discussant for Symposium Session with Jeneva Wright: Methods for Monitoring Heritage at Risk Sites in a Rapidly Changing Environment. Presented at the 88th Annual Meeting for the Society for Historical Archaeology. Lisbon, Portugal, January 5-8.
- 2023 Panelist of Forum sponsored by the Heritage at Risk Committee entitled, “International Approaches to Heritage at Risk” with Vibeke Martens, Bonnie Newsom, Elinor Graham, Sara Ayers Rigsby, Louise Barker, Steven Filoromo, Lisbeth Iversen, and Daniel Zwick. Presented at the 88th Annual Meeting for the Society for Historical Archaeology. Lisbon, Portugal, January 5-8.
- 2022 **Co-Chair of Invited Plenary Session with Emily Jane Murray. The Climate Emergency: Cultural Heritage is at Risk. Presented at the Southeastern Archaeological Conference, Little Rock, AK. November 9-12.
- 2022 *Implications of Global Climate Changes to Local Archaeology: Why Melting Arctic Sea Ice Matters to the Practice of Southeastern Archaeology. Invited Paper in Plenary Session. Presented at the Southeastern Archaeological Conference, Little Rock, AK. November 9-12.
- 2022 **Unifying the Language of Climate Change Archaeology. Panel co-chair with Sarah Miller. Presented at the 87th Annual Meeting for the Society for Historical Archaeology. Philadelphia, PA, January 5-8.
- 2021 *Step 1: Predictive Modeling. Presented at the Southeastern Archaeological Conference, Durham, North Carolina. November 3-6.
- 2021 *Measuring the Impact of Climate Change to Archaeological Sites Using the Sea Levels Affecting Marshes Model to Map Georgia, USA. Co-authored with Victor Thompson, Cristine Hladik, David G. Anderson, and Ellen Herbert. 1st International Symposium on Coastal Ecosystems and Global change. Xiamen, China. April 16-19.
- 2021 *Forum participant- Three Minute Climate Stories: Sharing Place-Based Perspectives on Heritage at Risk. Co-Authored with Nicholas Honerkamp and Lori Robbins. Presented at the 86th Annual Meeting for the Society for Historical Archaeology, Virtual.
- 2020 *Symbiosis of Fast and Slow Archaeology: A Retrospective Analysis of Historical Archaeology on the Georgia Coast. Presented at the 85th Meetings of the Society for Historical Archaeology. Boston, Massachusetts. January 8-11.

- 2019**co-chair of Symposium entitled, “The Sapelo Papers Revisited: 40 Years of Research on the Heart of the Georgia Bight” with Brandon Ritchison. Presented at the Southeastern Archaeological Conference, Jackson, Mississippi. November 6-9.
- 2019 co-authored with Lori Robbins, Nicholas Honerkamp. A Comparison of Faunal Remains Associated with Three Residential Sites at Fort Frederica, Georgia. Presented at the Southeastern Archaeological Conference, Jackson, Mississippi. November 6-9.
- 2019* Coastal Slave Settlements as a Nexus of Atlantic World Landscapes: A Study of Wattle and Tabby Daub at Bush Camp Field and Behavior. Presented at the Southeastern Archaeological Conference, Jackson, Mississippi. November 6-9.
- 2019* Using Unmanned Aerial Systems and Historical Maps to Monitor Present and Predict Future Shoreline Impacts. Presented at the 84th Annual Meetings of the Society for Historical Archaeology. St. Charles, Missouri. January 9-13.
- 2019 co-authored with Nicholas Honerkamp. Additional Slave Settlements at Cannon’s Point Plantation. Presented at the 84th Annual Meetings of the Society for Historical Archaeology. St. Charles, Missouri. January 9-13.
- 2019 Spaces and Places of Antebellum Georgia Lowcountry Landscapes: A Case Study of Wattle and Tabby Daub Slave Cabins on Sapelo Island, Georgia. Presented at the 84th Annual Meetings of the Society for Historical Archaeology. St. Charles, Missouri. January 9-13.
- 2018* co-authored with Kristen O’Connor and Fred Hay (Georgia Department of Natural Resources) Methods to Predictively Modern Documented and Undocumented At- Risk Cultural Resources: A Case Study of Sapelo Island, Georgia. Presented at the Southeastern Archaeological Conference, Augusta, Georgia. November 14-17.
- 2018 co-authored with Marie Meranda. Looking Past the Monument: A Change in Visitor Perspectives at Cannon’s Point Preserve, St. Simon’s Island, Georgia. Presented at the Southeastern Archaeological Conference, Augusta, Georgia. November 14-17.
- 2018 Geospatial Interpretations of Lowcountry Landscapes. Presented at the 83rd Annual Meetings of the Society of American Archaeology, Washington, D.C. 11-15 April, 2018.
- 2018**Chair of SAA session entitled, “Global Sessions on Slavery.” Presented at the 83rd Annual Meetings of the Society of American Archaeology, Washington, D.C. April, 2018.
- 2018**Chair of Disasters, Displacement, and Human Rights Conference Panel entitled: “Risk Mitigation: Looking Back and Planning Ahead.” Knoxville, Tennessee, February 9-11.
- 2018 co-authored with Kristen O’Connor Methods to Combine 200-Day-Old and 200-Year-Old Technologies to Document Cultural Resources Threatened by Anthropogenic

- Climate Changes. Presented at the 3rd Biannual Disasters, Displacement, and Human Rights Conference. Knoxville, Tennessee, February 9-11.
- 2018* Invited Panelist, Forum entitled: “The Evolutionary Development of Technology in Archaeology: An Open Discussion” Presented at the 51th Annual Meeting of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology, New Orleans, Louisiana. January 3-7.
- 2017* Invited Symposium: (co-authored with David Gadsby and Tad Britt) Creating Connections through Predictive Modeling and Cultural Resources Research. Presented at the Meetings of the George Wright Society Conference on Parks, Protected Areas, and Cultural Sites. Norfolk, Virginia, April 2-7.
- 2017**Chair of Society of Historical Archaeology Symposium entitled: “Slavery and African Diaspora Studies.” 50th Annual Meeting of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology, Fort Worth, Texas, January 4-8.
- 2017 co-authored with Nicholas Honerkamp and Cornelia Walker Bailey LiDAR, Historic Maps, Pedestrian Survey, and Shovel Tests: Defining Slave Independence on Sapelo Island, Georgia. Presented at the 50th Annual Meeting of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology, Fort Worth, Texas, January 4-8.
- 2016 Near-Historic Sea Level Rise and Shoreline Changes on Sapelo Island, Georgia. Presented at the Southeastern Archaeological Conference. Athens, Georgia. October 27-30.
- 2016* co-authored with David Gadsby. Presented at the 81st Annual Society for American Archaeology Meetings. Orlando, Florida. April 6- 10.
- 2016* Modeling Cultural Change in Death Valley National Park with an Ecological Maximum Entropy Movement Systems. Presented at 2nd Annual UTK GeoSym 2016. Knoxville, Tennessee. Feb. 4-5.
- 2016**Co-Chair of Society of Historical Archaeology Symposium entitled: “A Regional Retrospective Analysis of the Antebellum Atlantic Seaboard” with Kendy Altizer. 49th Annual Meeting of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology, Washington, D.C. January 6-9.
- 2016 Social Geography of Lowcountry Landscapes. Presented at the 49th Annual Meetings of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology. Washington, D.C., January 6-9.
- 2016* co-authored with David Gadsby. The Most Important Contribution Historical Archaeology Can Make to the Situation of Climate Change. Presented at the 49th Annual

- Meetings of the Society of Historical Archaeology Conference on Historical and Underwater Archaeology. Washington, D.C., January 6-9.
- 2015 co-authored with Nicholas Honerkamp and Norma Harris. Reconstructing Built Environments on Sapelo Island, Georgia Through GIS Map Reconciliation and Ground Truthing. Presented at the Southeastern Archaeological Conference Annual Meetings. Nashville, Tennessee. November 6-9.
- 2015 Predicting the Effect of Climate Change on Archaeological Sites. Presented at the Second Meeting of the Disasters, Displacement, and Human Rights (DDHR): Bridging the Collaborative Gap. Knoxville, Tennessee. September 25-27.
- 2015* YLCC Pecha Kucha: Mapping Climate Change Effects on Archeology Sites with ASMIS Legacy Data. Washington, D.C. August 10-13.
- 2015* co-authored with Tad Britt. Predictive Modeling of Archaeological Sites in Death Valley National Park. Presented at the 80th Annual Meetings of the Society for American Archaeology. San Francisco, California. April 8-13.
- 2014 Testing Predictive GIS Models and Game Theory: A Case Study of the Simpson Lot, an Antebellum Industrial Homestead Site. 47th Annual Meeting of the Society for Historical Archaeology Conference on Historical and Underwater Archaeology, Québec, Canada, January 8-11.
- 2013 Delineating the Boundaries of Qualitative Game Theory: A Case Study of an Antebellum Industrial Homestead Site, Southeastern Archaeological Conference Annual Meetings. Tampa, Florida. November 6-9.
- 2013**Co-Chair of Symposium entitled: "Mobile Methods: Connecting Continuity and Change" with Patrick Johnson. At the 70th Annual Meeting of the Southeastern Archaeology Conference, Tampa, Florida. November 6-9.
- 2012 High-Tech Archaeology at the Arcadia Mill Simpson Lot. Presented at the Meetings of the Gulf South History and Humanities Conference. Pensacola, Florida. October 18-20.
- 2012 High- and Low-Tech Archaeological Investigations at Arcadia Mill's Simpson Lot. Presented at the 69th Annual Meeting of the Southeastern Archaeology Conference. Baton Rouge, Louisiana. November 7-10.
- 2011 A Reconstruction of the Rise and Fall of a Plantation: Kirwan Family Papers, Montserrat, British West Florida. Presented at the Meetings of the Gulf South History and Humanities Conference, Pensacola, Florida. October 20-22.
- 2011 Community- Based Mortuary Archaeology On Sapelo Island, Georgia. Co-authors Nicholas Honerkamp and Ray Crook. Presented at the 44th Annual Meeting of the Society for Historical Archaeology, Austin, Texas. January 5-8.

INVITED LECTURES AND SELECTED ARCHAEOLOGICAL OUTREACH

- 2023 Archaeological Research at Indian Field, Cannons Point Preserve, St. Simons Island, Georgia. Invited Lecture, Golden Isles Archaeological Society, Fort Frederica National Monument. 7 March 2023.
- 2023 Invited lecture as part of a 3-day Island Wilderness Adventure Workshop on Cumberland Island National Seashore, Georgia. 3-6 March 2023.
- 2023 with Grant Snitker and Kerice Doten-Snitker. Using Machine Learning and Spatial Statistics to Measure the Geometric Structure of Archaeological Spaces. Invited Lecture for the Digital Archive of Comparative Slavery (DAACS) Turning Dirt into Facts: Historical Archaeological Interpretation in the Age of Storytelling. <https://vimeo.com/686903611>
- 2023 More Than Meets the Eye: African-Inspired Housing on Coastal Barrier Islands in Georgia, USA. Invited Lecture, ETSU Desert with the Experts. 23 January 2023.
- 2022 More than Tabby Ruins: Caribbean and African Inspired Housing Below the Surface of Georgia's Lowcountry Plantation Landscapes. Invited Lecture, Coastal Georgia Historical Society. 20 October 2022.
- 2022 Archaeology at Cannons Point Preserve. Invited Lecture, Cannons Point Preserve. 20 May 2022
- 2021 Spatial Analysis for the Social Sciences. Invited Lecture, Archaeological STEM Academy. Florida Atlantic University and Florida Public Archaeology Network. 16 March 2021.
- 2021 Developed Archaeological Lesson Plans for the Coastal Ecology Public Outreach Program for Georgia Coastal Marine Extension Program, University of Georgia.
- 2021 Archaeological Predictive Modeling 101. Presented to the North American Heritage at Risk Collective. 28 January 2021.
- 2020 Predictive Modeling to Create a Timeline of Climate Impacts to Cultural Resources on the Coastline of Georgia, USA. Invited Speaker for the "Climate Change and Human Response" Digital Guest Lecture Series, University of Tennessee. 25 August 2020.
- 2020 Moving Beyond Tabby: Georgia's Coastal Archaeology as a Critical Link to the Antebellum Atlantic World. Coastal Georgia Historical Society. 2 April 2022. Postponed to 2022.
- 2019 The Yardscape of General James E. Oglethorpe's Homestead: A Summary of 2019 Archaeological Excavations. Fort Frederica National Monument's International Archaeology Day. 19 October 2019.

- 2018 Epic Memory of the Igbo Landing Rebellion and Myth of the Flying African. Lambda Alpha Honors Society, University of Tennessee, Chattanooga. 18 October 2018.
- 2018 More than Tabby Ruins: Housing Below the Surface of Georgia's Lowcountry Plantation Landscapes. Fort Frederica National Monument's International Archaeology Day. 20 October.
- 2018 Re-Defining the Colonial and Antebellum Landscapes of St. Simon's Island, Georgia, USA. Archaeological Institute of America-East Tennessee Society. 6 September 2018.
- 2018 Mapping Near-Historical Sea Level Rise on Georgia Barrier Islands: Methods to Document At-Risk Cultural Resources.
