- MATH 2010: Linear Algebra (3 credits)
- MATH 3000: Mathematical Reasoning (3 credits)
- MATH 4157: Intro to Modern Geometry (3 credits)
- Candidates are strongly encouraged to take MATH 4417 Residency I: Teaching of Secondary Mathematics as an additional course.

Instructions and Information:

- Contact the Certification Coordinator, Clemmer College of Education and Human Development, at telephone (423) 439-7562 or email teacherlicensure@etsu.edu. Office is located in 305 Warf-Pickel Hall.
- Teacher education students who are pursuing initial teaching license and wish to add credits toward an add-on endorsement may do so. Please be advised: an add-on program does not necessarily meet the requirements of a minor, and substitutions or approvals made for add-ons do not take the place of catalog requirements or departmental advisement for degree purposes.
- Courses counted toward an add-on must have a minimum grade of "C" (2.0) or equivalent unless otherwise stated in this program of study.

- Add-ons will not be verified unless all requirements for initial Tennessee teaching license are met.
- This endorsement can be added by coursework only, that is, by completing this add-on endorsement program of study, and does not require passing a content area assessment.
- When coursework is complete, please contact the Certification Coordinator to request the college submit the endorsement recommendation to your account in TNCompass.
