Standards and Objectives 	<ul style="list-style-type: none"> All learning objectives are clearly and explicitly communicated, connected to state standards and referenced throughout lesson. Sub-objectives are aligned and logically sequenced to the lesson's major objective. Learning objectives are: (a) consistently connected to what students have previously learned, (b) know from life experiences, and (c) integrated with other disciplines. Expectations for student performance are clear, demanding, and high. There is evidence that most students demonstrate mastery of the daily objective that supports significant progress towards mastery of a standard. 	<ul style="list-style-type: none"> Most learning objectives are communicated, connected to state standards and referenced throughout lesson.
