

PIVOT TRAINING

NOVEMBER 22, 2019

BRING YOUR LUNCH AND LAPTOP

Learn more about searching for external grant funding opportunities using the Pivot funding database (<https://pivot.proquest.com>). Pivot accelerates the research process by integrating funding, collaborator discovery, and publishing opportunities into one tool.

The presentation, led by grant specialists from the Office of Research and Sponsored Programs, will inform you about how to set up a profile, search for and save opportunities, and understand funding opportunity announcements.
