West Jefferson, NC

Research Interest Areas

Prescription Drug Abuse Prevention and Treatment

Substance Abuse Prevention

Appalachian Health Outcomes

Certifications and Licenses

NC Licensed Professional Counselor Associate, LPCA # A9278

Prime for Life Risk Reduction Instructor #NC16518

Awards

Mason Whittington Distinguished Service Award, 2007

Dean's Special Recognition Award, August 2017

Grant Experience

- 1) Source: NIDA
P.I.: Rob Pack, PhD
Title: DIDARP R24, Diversity Promoting Drug Abuse Research Project
Role on project: Project Director
Dates and costs of entire project: 06/2013-3/2018; \$2,471,967

Specific aims of project: Formal execution of three research projects focused on Prescription Drug Abuse/Misuse (PDA/M), related communication pathways between providers, prescribers, and patients, and drug disposal.

- 2) Source: Tennessee Department of Health, Minority Health and Disparity Elimination
P.D.: Angela Hagaman, MA, LPCA
Title: Carter County Overdose Prevention Project
Role on Project: Program Director
Dates and costs of entire project: 9/1/2015-6/30/2016; \$5,000

Specific aims of project: Increase awareness and access to Naloxone, the opioid overdose antidote to decrease the mortality rate associated with high prescribing rates and corresponding sequela.

- 3) Source: Johnson City Junior League
Co-Investigator: Angela Hagaman, MA, LPCA
Title: Neonatal Abstinence Syndrome (NAS): Developing a Registry for Improved Outcomes
Role on Project: Project Director
Dates and costs of entire project: 6/1/2016-5/31/2016; \$20,000

Specific aims of project: Junior League funding will support person hours to clean and launch a shared registry for infants born with Neonatal Abstinence Syndrome (NAS) and their mothers. This registry will allow for de-identified data sharing between Niswonger Children's Hospital, Mission Hospital, East Tennessee Children's Hospital, and Vanderbilt University Hospital. In the short term, the registry will improve treatment outcomes from moms and babies. Long term outcomes will include a longitudinal prospective study to measure developmental outcomes over a number of years.

- 4) Source: Tennessee Department of Health
P.D.: TBD
Title: New Coalition Funding: Carter County Drug Prevention (CCDP)
Role on Project: Grant writer and CCDP Steering Committee Chairperson
Dates and costs of entire project: 7/1/2016-6/30/2016; \$60,000

Specific aims of project: TN Department of Health funding will support the development of coalition infrastructure and staffing that will provide for the successful implementation of evidence-based environmental strategies to reduce the rate of prescription opioid abuse, binge drinking, and tobacco use.

- 5) Source: Office of National Drug Control and Policy (ONDCP) and SAMSHA
P.D.: Angela Hagaman, MA, LPCA
Title: Drug Free Communities (DFC) anti-drug coalition grant
Role on project: Program Director and Coalition Chair
Dates and costs of entire project: 10/2012-9/2017; \$650,000

Specific aims of project: Full-scale implementation of evidenced based substance abuse prevention strategies utilizing SAMHSA's Strategic Prevention Framework (SPF) to reduce underage drinking and prescription drug abuse in Watauga County.

- 6) Source: NC Department of Health and Human Services
P.D.: Angela Hagaman, MA LPCA
Title: Substance Abuse Prevention and Treatment Block Grant
Role on project: Program Director for 5 NW NC Counties
Dates and costs of entire project: 3-year recurring cycle from 1992-2013; \$140,000 annually

Specific aims of project: Implement and support population level substance abuse prevention strategies based on community needs assessment. Convene local policy makers, agencies, and schools to develop comprehensive community-wide action plans. Report outcomes annually for each service county: Ashe, Allegheny, Avery, Watauga, and Wilkes.

- 7) Source: Juvenile Crime Prevention Council via NC Department of Juvenile Justice and Delinquency Prevention
P.D.: Angela Hagaman, MA
Title: Youth Resource Center
Role on project: Program Director
Dates and cost of entire project: Annual application process from 7/87-7/2013; \$50,000 annually

Specific aims of project: Implement evidenced based prevention and therapeutic activities for high risk adjudicated or indicated youth during after school and summer hours. Utilize the Project Venture evidenced based curriculum to incorporate adventure components in overall program design. Serve as an advocate and liaison among all involved agencies and the client family.

- 8) Source: NC Department of Juvenile Justice and Delinquency Prevention
P.D.: Angela Hagaman
Title: Support Our Students (SOS)
Role on project: Program Director
Dates and cost of entire project: Three year competitive application process from 7/95-6/2005; \$125,000 annually

Specific aims of project: Implement evidenced based prevention and tutoring services for at-risk middle school youth during after school hours. Coordination of transportation services for community based programs and facilitating the development of in-school programming. Liaise between school, family, and community agencies to provide comprehensive countywide after school programming to universal and selected youth.

- 9) Source: U.S. Department of Education
P.D.: Bricca Sweet, Ed.D.
Title: 21st Century Community Learning Centers Grant
Role on Project: Program Coordinator

Dates and cost of entire project: 10/99 – 9/02; \$2.7 million

Specific aims of project: Partner with public school systems to implement evidenced based after school programming to low-performing and at-risk middle school youth in 7 rural counties in NW NC. Primary objective is to build protective factors that support academic success. Impact measured annually through grades and scores on end of grade tests. Outcomes reported provided to each Superintendent and Board Members annually.
