

Student Travel Award Reports

For questions about student travel grants, please contact Dr. William N. Duncan, Associate Director, duncanwn@etsu.edu

Student Travel Grants are designed to defray all or part of the costs for undergraduate students to present their work at academically-oriented events.

The Honors College and the Office of Research & Sponsored Programs are pleased to provide awards to support undergraduate research and creative activities.

In return awardees are asked to provide a brief report shortly after returning from the conference. Information in these reports may be shared with university donors who support these programs.

Please include:

- Student name and department
- Faculty mentor name and department
- Conference attended
- Dates of attendance
- Presentation title and abstract
- *Optional:* Photos or other images/multimedia that can be used to promote/share with the ETSU community

The report should include a description of:

- The relevance of this conference to your scholarly work/field
- Reflections on your presentation experience and what you learned
- How attending and presenting at this conference has impacted your education and career goals

Please submit the report as Word document or pdf attachment via email to the Director.

The Student Travel Grant Program is administered by the Office of Undergraduate Research and Creative Activities with funds made available from the Honors College and the Office of Research & Sponsored Programs. Please send questions to Dr. William N. Duncan, Associate Director, duncanwn@etsu.edu
