

## Submit Your Events to Display on Campus Digital Signage

Do you have university events or programs to promote on the digital monitors? Information Technology Services (ITS) would like to know about them! Please access the [Digital Signage Content Request Form](#) to submit your events and announcements for dissemination. ITS can post graphics or short, accessible videos that are display-ready, or work with you to design something consistent with university guidelines. Visit the Digital Signage page today to begin sharing your content: <https://www.etsu.edu/its/digital-signage/default.php>.

Please contact Erin Simpson ([simpson1@etsu.edu](mailto:simpson1@etsu.edu)), ITS Digital Content Strategist, if you have any questions.
