

1. Progression Guidelines for Undergraduates ^(UAS Policy) - clarification needed

All students admitted to the nursing major must earn a minimum grade of "C" (2.0) in each required theory and/or clinical nursing course. Grades of C- and below indicates a nursing course failure. Students in the BSN accelerated 2nd degree program who fail a course will be moved to the traditional program pending space availability (see number 3).

1. Students must achieve an overall average of 75% on all exams (content and final) within a didactic course to pass the course. Points for course assignments other than exams (i.e., quizzes, class assignments, group work) are not calculated into the course grade until the 75% benchmark on exams is attained. Once the 75% benchmark is reached, any additional points earned by the student will be applied to calculate the final course grade. If a student fails to achieve an overall exam average of 75%, the student will receive the letter grade equivalent to the average of the exam scores and be required to repeat the course. (Effective Summer 2021)
