Revenue producing events will be assessed a labor charge.

Combined rooms are considered multiple room reservations (i.e. Meeting Room 1 and 2 are treated as a 2-room reservation).

Some areas have limited availability and if interferes with regular operating hours in a food service area, then a food service revenue guarantee will also be required.

The listed fees include basic lighting and basic room setups. Complex or complicated setup requests may entail additional labor charges.

Events using most or all of the building facilities may have negotiated usage fees.

Regularly scheduled weekly or monthly events may have negotiated usage fees.

Federal, state, and local governmental agencies will be considered as Non-University Affiliated, Non-Profit users.

These fees will be reviewed and revised as needed on an annual basis.
